

Membership Rules

Decided by: PACTware General Assembly, April 29th, 2004, Ettlingen

The PACTware Consortium knows two kinds of membership:

1. Full Membership
2. OEM Membership

1. Full Membership: Rights and Duties

Full members...

- have access to the PACTware Source Code by contracting the PACTware OSL-License on joining the consortium
- can take part in general assemblies
- have one vote in general assembly ballots
- can join all the teams and working groups of the PACTware Consortium e. V.
- can be elected into the board of directors

2. OEM Membership: Rights and Duties

OEM Members...

- have no vote rights in general assembly ballots
- can take part in general assemblies
- can join the "Marketing Team"
- cannot join the "Development Team"
- must not have access and rights to PACTware Source Code.
Detailed regulation in "PACTware Consortium e. V. OEM License"
- can change status from OEM Membership to Full Membership at any time.
- Get a license to use and distribute a license for the PACTware application by contracting the "PACTware Consortium e. V. OEM License" on joining the consortium.
